

CLOSING FOR THE SEASON

1. All beach chairs must be stored in your basement storage cage or apartment when you leave. All chairs left under the stairs will be disposed of!!
2. All door mats are to be put inside your unit.
3. All main water valves **MUST** be turned OFF to your unit.
4. It is recommended that the Hot Water Circuit Breaker be turned OFF.
5. Covering your toilet bowl with plastic wrap will help prevent evaporation and pests.
6. Leave your air conditioner on. Consult your service contractor for desired settings for an empty apartment.
7. Notify management when porch window maintenance can be performed and hurricane bars can be installed.
8. Remove all perishables from counters, refrigerator and freezer
9. Replace or leave extra batteries for digital AC thermostats
