

Email from the Palm Worth Manager, 5/5/2020

Subject: Pool Reminder

Hi All,

Since the pool has reopened, I wanted to remind you that dining is permitted 7 days a week from 5-7:30 PM on the pool deck. This is a temporary adjustment to the House Rules made to give shareholders the opportunity to eat somewhere aside from their unit.

With that being said, please keep in mind that in order to keep our Palm Worth pool open, we must follow the CDC requirements which are as follows;

COMMUNITY POOLS

- o Community pools at clubs and at condominium complexes may reopen but pool capacity shall be limited to ensure compliance with CDC social distancing guidelines.
- o Locker room and shower facilities shall remain closed, but restrooms may be open.
- o Pool deck seating and lounge furniture must be rearranged and limited to ensure proper CDC social distancing and cleanliness.

What is social distancing?

Social distancing, also called “physical distancing,” means keeping space between yourself and other people outside of your home. To practice social or physical distancing:

- Stay at least 6 feet (about 2 arms’ length) from other people
- Do not gather in groups
- Stay out of crowded places and avoid mass gatherings

In addition to everyday steps to prevent COVID-19, keeping space between you and others is one of the best tools we have to avoid being exposed to this virus and slowing its spread locally and across the country and world.

When COVID-19 is spreading in your area, everyone should limit close contact with individuals outside your household in indoor and outdoor spaces. Since people can spread the virus before they know they are sick, it is important to stay away from others when possible, even if you have no symptoms.

I appreciate your understanding during these tough times.
Hope you are well, safe and healthy!
