

TO: All Shareholders.

17 March 2021

I was sorry to learn today that Palm Worth has lost another longtime shareholder, Nancy Tiplick.

Nancy will be remembered not only by myself but by all of us as that fun loving gal from Indiana. She always livened up all those parties be it a Halloween Party, a Valentines Party or the many St. Patrick Day gatherings. I especially remember her laugh and enjoyment in teasing me. Nancy will continue to be remembered for those many years she shared the Palm Worth life with all of us. She will be missed.

Sincerely,

Juanita Leary
