

April 30, 2021

Hi,

I hope you all are doing well!

I wanted to let you know that Palm Worth has switched from Bank United over to BB&T/Truist. For those of you who pay your monthly fees via ACH through Palm Worth, please be aware that you may notice a different name posted to your bank account. The charge should come from "PW ACH" beginning May 5th when the funds are debited from your account.

If you still send in checks each month and would like to make the switch to our ACH system, I have attached the form for you to fill out and email back to me. The ACH system means that funds will be automatically deducted from your bank account. Being on the ACH program also means that if and when your monthly fee amount should change, I update the amount for you, you do not need to contact your bank.

Secondly, On April 27th, 2021, The Governor extended the State of Emergency through June 26, 2021. This means that all current restrictions here at Palm Worth will continue.

Enjoy your summer!
