I was notified this morning that an original Palm Worth resident, Mildred Grimm, had passed away. There are so many memories I have of this very unique and talented woman. Though the last several years have been difficult for Mildred with the loss of her eyesight, she continued to share with me all the original happenings and history of Palm Worth. I will especially remember her going off in her uniform to volunteer annually at the Honda Classic Golf Tournament and then in later years to volunteer as a hostess at the Palm Beach Airport. Golfing and travel were Mildred's favorite pastimes. An especially memorable event was a birthday luncheon sponsored by Donna Friedman to celebrate Mildred's 93rd birthday in March. We will all remember that smile on her face when the cake was cut and we sang Happy Birthday. Thanks Donna for that memory.

Information concerning the memorial service as well as an obituary has not been received. When the information is received, we will post the information.

Please remember Mildred in your thoughts and prayers.

Sincerely,
