28 March

It is with a saddened heart that I learned of the passing of Don Graves, a dear friend and special Palm Worth shareholder. Don and his family are a part of that original group of special individuals that made Palm Worth so much more than just a place on the beach in sunny Florida. I especially came to know and appreciate that smiling gentleman from Michigan when he and my sister, Joan, became partners and shared those many Palm Worth cruises and parties with them. Don's son, Jeff, and wife, Megan, are shareholders at Palm Worth and his daughter, Leslie and family, have been a part of Palm Worth for years. Don's presence at Palm Worth will be solely missed.

Attached is Don's photo and Obituary.

Sincerely,

Juanita Leary
Pres., BOD
