

Hi all,

Hope you're enjoying your summer!

The north elevator has passed inspection and is officially back up and running! I have attached a picture of the final product.

The modernization to the *south* elevator will begin this Tuesday 9/6. The elevator will be out of service for about 4 weeks plus inspection.

Please remember Palm Worth does not have a service elevator. If you have any construction supplies, furniture, heavier items that need to be transported in the elevator, you must schedule it with me first so that we can install the elevator pads.

Have a nice holiday weekend!
