I am very saddened to learn of the passing of Mary Lane Cairns, a special longtime shareholder at Palm Worth. Mary Lane loved her tennis, golf, and especially sailing the waters off the east coast with her husband, Walter, who preceded her in death.

Mary Lane was an extremely kind person and extended that kindness to everyone she encountered, be it a shareholder or a stranger.

Palm Worth has lost another special individual who contributed to making our building more than just a structure.

When more information is available, we will send out an additional email to the shareholders.
