

Shareholders,

Just a few reminders as we enter the summer season.

As of Monday, May 1st, my hours go down to three days a week. I will be in the office Monday, Wednesday and Friday's from 11-4:00.

Although Kevin's hours remain the same, please remember to schedule any AC maintenance or anyone that will require access to your unit, during the hours that Kevin or I are on property, as always, you must notify me ahead of time.

I will keep you all posted on my maternity leave in the upcoming few weeks.

The pool project is scheduled to begin the first week of June, we are just waiting on permitting details and then I will be able to provide you with an exact start date. The project is expected to take a few weeks from start to finish, the pool will be closed during the duration.

Have a fun summer!
