Regarding: Removal of Bicycles in the Maintenance Room.

We have a situation in the Maintenance room, the bicycles and the rack are in the way of the repair.

If you have a locked bike in the rack, we need the key or the combination before Wednesday morning 9:00 AM July 5. All the bicycles will be moved to the Men's Shower room. All bicycles in the maintenance room must have shareholders' name or unit number visibly displayed or they will be permanently removed.

Please copy Nichole on ownership, apartment number and combination to the locks, she needs to keep track of these things and I need to get the bikes out of the way.
