

I hope everyone here at Palm Worth will have a wonderful Thanksgiving Day.

If you are in residence and have not already picked up your notice of the Roof Special Assessment meeting they are in your cubby hole box by the maintenance room.

Also, we have some workers in the building that are not following the rules and regulations. Please ask your contractors, handyman and workers to check in at the office or with Kevin so we can go over the rules with them. It just takes a minute.

Thanks and have a wonderful Thanksgiving Day

Andrew Miller

*Thank you,*
