

## So We Can Live In Peace And Harmony.....

**All **shareholders** and **guests** are reminded of the following laundry guidelines:**

Your scheduled time is when your laundry should be IN the washer (on the ½ hour). PLEASE start your laundry ON TIME. It is a good idea to set a timer for the 25 minute wash cycle so your laundry goes into the dryer on time and to also set a timer to collect your laundry on time from the dryer.

Each Shareholder has 1½ hrs for your laundry time. We all must stick to this 1½ hr time. If your laundry is left in the washer or dryer beyond your scheduled time, it may be removed so that the next person can start on time.

If you are using another shareholder's assigned time MAKE SURE THEY OR THEIR GUESTS ARE NOT HERE ON THE PREMISES!! You MUST sign up if you are using another shareholder's time so that if there is a problem we know who to contact. Be sure to check all of the sheets on the clipboard. Please remember to fill the sheet out completely and to put a.m. or p.m.
