March 31st, 2024

A very special lady passed away this weekend who added so much fun, spirit, and memories to Palm Worth's community. Carol Boyle, a long time resident of Palm Worth, passed away on Saturday. Though the past years have been a struggle for Carol and her family she will be missed by all that knew and remember that vibrant Carol. Our condolences to her husband, Art, and all her children of which Meg, Amy and Art, Jr. are Palm Worth shareholders.

I will forward additional information when available.
