

TO: All Shareholders.

30 May 2024

I have learned of the passing of another special former Palm Worth shareholder as well as a dear friend of mine for many years.

Barbara Koehl was a person and a shareholder who understood what makes Palm Worth more than just these buildings but the gem and community that has thrived for these 60 plus years.

Barbara was a part of the originally formed Beautification Committee. A photo of her participating with the Committee is on display in the glassed case by the laundry room.

She also teamed with me in chairing the remodeling of the Clubhouse to include a new kitchen, built-ins and all new furniture. Her continued care of the Clubhouse by forming a group of volunteers to do a yearly maintenance of the Clubhouse was Barbara contributing and understanding the importance of a community working together.

Her participation in all the Palm Worth social events and always a willing volunteer made Barbara an important part of our community.

Our thoughts and prayers are with Barbara's daughter, Debbie Sergeant, Unit 407, and her family.

When Barbara's obituary is available we will forward to the shareholders.
