

Attention Shareholders

Please be advised that the Contractor's will be onsite Monday, July 8th around 9:00 AM they will begin setting up to start working on Tuesday July 9th.

The actual concrete restoration project work will begin on Tuesday please be advised that there will be loud noise going on from Monday – Friday 8:30am to 4pm over the next two months during the project. They will also be working on Saturday's but said there won't be any loud construction during the weekend.

We thank you in advance for your cooperation and understanding.
