

TO: All Shareholders.

28 September 2024

How do you explain to those who did not know MaryLou Grinnell just how special and unique this Lady was! We have been notified of the passing of MaryLou, a longtime Palm Worth resident, who certainly added so much fun to life at Palm Worth!. Be it the leaning cakes she brought to the parties after taking a “cake baking” class, the stories of her runway days as a model, or the significant part she played as an Olympian in women’s sailing there was no limit to her achievements. And - there was always that chuckle of a laugh that showed just how much she enjoyed life.

Though Mary Lou’s last years were difficult for her, let us remember the importance of shareholders like MaryLou who have contributed so much to the character of Palm Worth. When more information is available concerning arrangements by the family, we will notify you.

Sincerely,  
Juanita Leary  
Pres., Palm Worth
