

Palm Worth Inc.
Walkway Painting Project Update #3
September 25, 2024

From: Scot Northrup
To: All Owners

As promised, here is a progress report.
Last week we scraped and applied the sealer coat to the 2nd floor. Today, we applied the primer coat.
Tuesday we will apply the first of two coats of the top coat.
Wednesday we will apply the second top coat.

If all goes well, remember we are rain constrained, we will start scraping the first floor on Thursday or Friday.
Next week we will be applying paint everyday Monday through Friday.

I will send another update on September 30th.
Thanks again to everyone keeping us notified regarding visits.
With advanced notice we can work ahead of your arrival.

Your painting team,
Kevin, David and Scot
