TO: All Shareholders

I have been notified by the Palm Beach Landmarks Committee that the Designation Report for Palm Worth has been completed and will be presented at the Landmarks Preservation Commission's Nov. 20th Meeting. Also, a copy of the Designation Report is being sent to each of the shareholders by the Town of Palm Beach. With this designation Palm Worth will be joining other south end Condos and Co-ops such as the President of Palm Beach and The Reef with this Designation.

I believe Anne Fairfax's email of 4-11-2024 outlined all the benefits to Palm Worth with Landmarking and also protects this "Gem" we are, in my opinion, privileged to call home for any or some part of a year.

Thanks,

Juanita Leary
