

20 November 2024

TO: All Shareholders

The change to the ByLaws returning ownership of the porch windows back to the shareholders was approved at the 11 November Shareholders Meeting by over 2/3rds of the shareholders.

The Attorney will finalize the revisions and register the revised ByLaws with the State. When available the Revised ByLaws will be available on the Palm Worth webpage and copies will be available in the office.

As discussed at the 11 November meeting, the Window Committee will continue to exist and will be committed to ensuring the porch windows are maintained thus ensuring their lifespan. Attached is the Window Committee's letter.

Thanks,

Juanita Leary
Pres., Palm Worth
Board of Directors
