

This is to let the shareholders know that Carol and Lenny Lilyholm were killed in an automobile accident on their way to Florida from Minnesota.

Our hearts are so saddened at the loss of 2 of our longtime Palm Worth residents who were so much a part of our lives here at Palm Worth. I cannot express how much Lenny and Carol's friendship has meant to me over these many years.

Our thoughts and prayers are with their daughter, Denise, and her family and also to their daughter Gretchen.

When more information is available we will forward it to the shareholders.
