

PALM WORTH INC.

UNIT MODIFICATION/CONSTRUCTION REGULATIONS

The following are regulations for any construction to any unit in Palm Worth. After it has been determined what work is going to be done to your unit, the following must be done prior to initiating any work within your unit.

The following items must be turned into the management office for the approval of the BOD (Board of Directors). No work may be started until such time that you have a letter of approval issued by the BOD to proceed with the modification of your residence. The Town of Palm Beach requires that a permit be secured for any construction work (please speak with the Town to make sure that you are required to have a permit(s). Painting does not require a permit. **The BOD must approve your plans prior to submitting an application for a permit.** No permit will be issued by the Town of Palm Beach without a letter from the BOD stating it approves of the work to be done.

1. A letter, addressed to the Board of Directors, from the shareholder stating in detail what modifications/improvements are going to be done.
2. If you are planning on replacing windows and/or doors you must meet with or contact the committee (doors & windows) to make sure that your plan complies with allowable doors and windows as approved by the cooperative.
3. If the shareholder is installing new flooring your contractor must be informed that a cork underlay must be installed for soundproofing (Excluding units on first floor).
4. The name of the responsible contractor and any subcontractors which shall include all licenses from the City/Town; County and State as may be required. A copy of both liability, workers compensation and automobile insurance.
5. Contractor(s) must read all rules regarding any construction/replacement project and agree to same by initialing the rules.

Upon written approval from BOD, the following will be required;

1. A copy of the permit supplied by the Town of Palm Beach
2. A check for security in the amount of \$300.00 from the shareholder, which will be returned upon inspection of elevators and walkways (up to ten days after completion of construction).
3. Please be advised that there will be a charge of \$25.00 per hour if the maintenance staff has to clean up after your contractor has left the property.
4. If not already supplied, copies of proof of insurance and contractors licenses and proof that they are registered with the Town as a contractor from ALL contractors who will be on the job, this includes sub-contractors.

The following rules must be observed at all times;

1. Contractors must park their vehicle(s) in "Guest" parking spaces only front end in. (do not back into spaces)
2. Contractors must display 'PARKING PERMIT' on the dashboard of their vehicle(s), which shows the unit number work is being done in, their contractors cell phone number and date of project start and estimated completion.

3. It is the contractor's responsibility to arrange to pick up "Letter of Approval" from the office in order to obtain a permit from the Town of Palm Beach.
4. Shareholder must call office at least 48 hours in advance if the elevator is being used to transport materials so that elevator padding may be installed in elevator.
5. Weight restrictions (maximum weight 1500 pounds) must be observed at all times, when using elevators.
6. Contractors may not hold elevators for any length of time. Residents have priority over contractors for use of elevators.
7. Any work that involves breaking through walls to connect or disconnect from/to water/drain pipes after completion must be inspected by either association maintenance personnel or plumber at the option of the BOD.
8. No work may be started before 9:00 a.m. or after 5:00 p.m. All work must stop no later than 5:00 p.m. Monday through Friday. Saturdays work hours are 9:00 a.m. to 4:00 p.m.
