Dune Renourishment in Reach 8 Discussion scheduled for Next Town Council Meeting

Dear Member Building Residents,

We hope this message finds you well.

We would like to inform you that the Town Council of Palm Beach will be discussing the Reach 8 Dune Renourishment Project during their upcoming meeting on **Tuesday, May 13. It is on the agenda for 2:00pm "Time Certain"**.

This project represents a matter of great importance for the residents of the south end of Palm Beach—particularly those within the Reach 8 area.

As such, we strongly encourage as many of our member building residents as possible to attend this meeting in person, in order to show visible community support and help reinforce just how important this project is to our neighborhood.

For those who may not be able to attend in person, please note that the meeting will also be available for virtual viewing. We also would like to encourage you to share this information with your neighbors.

Thank you for your time, your engagement, and your continued commitment to the well-being of our community.

Your presence and support can make a meaningful difference.

Warm regards,
The Citizens' Association of Palm Beach
