

To All Shareholders:

Starting tomorrow (Tuesday) at noon and extending to Wednesday morning, the beach stairs will be shut down due to painting. In addition the walkways will also be shut down to paint over the splatter from painting the walls, columns and ceilings. In the north building floors 3 and 4 will not be painted due to being occupied. Also note the 1st floor is being painted and therefore there will be no access to the gate or beach. If you want to go to the beach you will have to go through the park. We thank you for your cooperation.
